A Message from Father Jerome

13th Sunday: Today's Gospel describes two of our Lord's miracles, the healing of a woman who suffered from a chronic bleeding disease and the returning of the dead daughter of Jairus to life. These healings teach us that Jesus willed life, and willed full life for all God's children. The two healings also reveal Jesus as a generous, kind and compassionate God who wills that men should live their wholesome lives fully. They also give us further proof of the Divine power and the Infinite mercy of our Savior.

We need to accept God's call to health, wholeness and holiness. Jesus accepts us as we are. Hence, let us bring before him our bodily illnesses and spiritual wounds and ask for his healing touch. As Christians, we believe that Jesus continues to heal us through his instruments in the medical profession like doctors, nurses and medical technicians. Hence, when we go to a doctor, we need to offer a prayer to Christ the Divine Healer, that we may choose the right doctor, and that he or she will make the correct diagnosis, prescribe the correct treatment and give us the right medicine. Let us not forget the truth, that Christ still works wonders of healing. Let us also thank God for the great gift of health and use it for helping those who are sick. We need to continue the healing mission of the Church: As members of the Church, we are not excused from our vocation to be healers. We do our share of Christ's healing mission by visiting the sick, by praying for their healing, and by boosting their morale with our loving presence, words of encouragement and inspiration. Thus, we may enable them to experience the compassion of Jesus the healer.

Thanks all who participated with St. Anthony's "Picnic in the Park." Thanks to all who joined **Valleyfair**. Both events had was awesome day!

WELCOME and THANKS to annual Valley Daze celebration at Eden Valley. Thanks to all for supporting **Valley Daze Youth Group Fundraiser**.
